Brooke's practice consists primarily of corporate and securities law. She represents a wide range of private company clients, from newly formed startups to high-growth companies, in all of their corporate needs, including corporate governance matters, equity financings, restructurings, recapitalizations and M&A. She also represents private equity funds, growth equity funds, venture capital funds and other investment entities on their investments in technology and life sciences companies.

Education

Stanford Law School JD, 2008

Tufts University BS, Biochemistry, summa cum laude, 2003

Admissions & Credentials

District of Columbia

New York

Rankings & Accolades
