Brussels

Cyber/Data/Privacy
Technology
Life Sciences and Healthcare

Morgan's practice focuses on addressing privacy, cybersecurity and data-related challenges for organisations ranging from pre-seed startups to large public companies. His diverse knowledge spans various areas related to technology and life sciences – including regulatory compliance, commercial contracts, corporate transactions, and data breaches and investigations.

In 2024, Morgan completed the King's Coding for Lawyers course at The Dickson Poon School of Law, King's College London. Morgan also is a Certified Information Privacy Professional for Europe (CIPP/E).
