Mergers and Acquisitions
Life Sciences

+1 858 550 6156

Washington, DC

Lindsey focuses her practice on public and private mergers and acquisitions, including cross-border transactions, joint ventures, earn-outs and other complex transactions, representing strategic and financial buyers as well as sellers. She has represented clients across a variety of industries, including life sciences, technology, healthcare, diagnostics and financial services.

During law school, Lindsey was the executive articles editor for the Michigan Telecommunications and Technology Law Review. Her Note, "Regulating to Achieve Stability in the Domain of High-Frequency Trading," received an Award for Outstanding Scholarly Contribution.

Lindsey also served as co-chair of the Michigan Law Outlaws and was a research assistant in the area of financial regulation for Professor Michael Barr.
