Anne Peck advises and assists clients daily on the selection and protection of worldwide brands and domain names, copyright and advertising issues and other promotional activities.

Anne's practice features a wide variety of business and technology innovators, including such industry leaders as Google, TiVo, Flextronics and USB-IF. Anne is an expert in establishing for her clients, copyright ownership and strong international trademark portfolios that secure brand loyalty and competitive advantage.

Since 2009, Anne has been recognized by Chambers USA for her exceptional work in the trademark and copyright areas.

Prior to joining Cooley, Anne was an associate with Brown & Bain in Palo Alto engaged in intellectual property and commercial litigation.
