Judd is a seasoned copyright and trademark practitioner with extensive experience managing all aspects of federal litigation and proceedings before the Trademark Trial and Appeal Board (TTAB) at the US Patent and Trademark Office (USPTO). In addition to litigation and dispute work, Judd advises clients on copyright, trademark, and advertising issues and actively manages global trademark and copyright portfolios for startups and household names alike.

Judd has had a lifelong interest in science and technology and has followed developments in the field of artificial intelligence closely. As generative AI has begun to transform business and the law, Judd has assumed a leading role in advising clients on the legal complexities and challenges implicated by these technologies.
