Trials
State Attorneys General

Harris defends clients in high-stakes litigation and investigations. His practice covers privacy and data security, complex contract and tort disputes, class action defense, constitutional matters, and emerging issues in artificial intelligence.

Harris counsels clients and companies of every size, serving industries such as technology, healthcare, retail, insurance and manufacturing. He has successfully defended clients in federal and state courts across the United States as well as in regulatory investigations led by state attorneys general, the Federal Trade Commission and the Department of Justice.
