Debt Finance

+1 858 550 6103

San Diego

Matt advises public and private companies, private equity firms, financial institutions and alternative credit providers in various finance transactions and matters. His practice spans domestic and cross-border debt finance and debt capital markets transactions, including senior secured, junior lien and unsecured credit facilities; structured financings, such as royalty and revenue interest financings; convertible note offerings; acquisition financings; asset-based lending; high-yield and investment-grade bond offerings; and debt restructurings. He has experience across a range of industries, with a particular focus on financing life sciences and technology companies at all stages of development.
