Palo Alto

Anita Vasudevan works with a broad base of clients, including software, Internet of Things, edtech, cleantech, and medical device companies. She also routinely represents venture capital and corporate investors in financing transactions. She has substantial experience in a variety of corporate transactions, including venture capital financings, mergers and acquisitions and public offerings. Her practice also includes general business advising, including with respect to corporate securities, commercial agreements, and corporate governance matters.

Anita represents both private and public companies as well as venture capital and corporate investors in financing transactions. She represents a number of companies with extensive operations in India as well as venture capital and corporate investors in their investments in Indian companies. She was a contributing author to The First Mile, Essentials of Entrepreneurship, published by TiE.

Prior to joining Cooley, Anita was an attorney at Heller Ehrman and Venture Law Group.
