Helen is a partner in Cooley's emerging companies and venture capital practice. She advises startups and emerging growth companies, as well as institutional and strategic investors, on venture capital and growth financings and mergers and acquisitions. Helen works with clients in cutting-edge industries across a broad range of technology verticals.

Helen is recognized for her venture capital and fintech proficiency with the following industry publication accolades:

- The Legal 500 UK: Key Lawyer for Venture Capital and Fintech (2025)
- Innovate Finance: Women in FinTech Powerlist (2023, 2024)

Helen's representative experience includes:

- Representation of SoftBank Vision Fund II as lead investor:
 - In a \$1.5 billion investment round into Trendyol, Türkiye's largest ecommerce platform
 - In a \$680 million investment round into Sorare, a French-headquartered fantasy football platform that trades non-fungible tokens; this was the largest French venture financing of all time and Europe's largest-ever Series B fundraising
 - In a \$600 million Series D investment into surgical robotics company CMR Surgical, the then-largest-ever private fundraising for a medtech company
 - In a \$500 million Series D investment into electrified vehicle technology and hypercar company Rimac Group
 - In a \$500 million Series E investment into Contentsquare, the global leader in digital experience analytics
