London

Emerging Companies  
Venture Capital  
Technology Transactions  
Mergers and Acquisitions

Kristy advises emerging technology companies and their investors on a range of corporate matters. She is particularly experienced in venture capital and growth equity transactions throughout the business life cycle, working across cutting-edge industries such as artificial intelligence (AI), fintech, healthtech and climate-tech.

Before joining Cooley, Kristy was a managing associate in the technology companies group in the London office of a global law firm.

**Kristy's representative venture capital/growth equity experience includes advising:**

### *Company side*

- BlueLayer, an end-to-end platform for carbon projects developers, on its €9 million seed financing, led by Point Nine Capital\*
- Nevis Wealth, an AI wealth management platform, on its \$35 million Series A financing, led by Sequoia, Ribbit and ICONIQ\*
