Evan represents clients on a range of corporate matters, including venture capital financings, M&A, private equity transactions, securities offerings and formations. He also advises clients on day-to-day corporate governance and various other corporate and securities law matters. Evan counsels companies and investors across a variety of industries including software, cybersecurity, national security, space and satellites, life sciences and sports.

In law school, Evan served as managing editor of the Georgetown Law Technology Review and worked as a student attorney for the Georgetown University Law Center's Health Justice Alliance Clinic. Before law school, Evan consulted in various roles for the US Special Operations Command and US Navy.
