Private Equity

Sydney advises companies in the technology and life sciences industries on financings, mergers & acquisitions and other complex transactions. Sydney focuses on private equity and also advises companies on general corporate matters.

Sydney's recent transactions include advising:

- JMI Equity's investment in Performio for $75 million
- M33 Growth's investment in IFS Core
- Aztec Software's investment from NexPhase Capital

While at Boston University School of Law, Sydney served as executive editor for management on the Review of Banking and Financial Law.
