Boston

Emerging Companies
Venture Capital
Capital Markets
Mergers and Acquisitions

Andrew practices corporate and securities law, with an emphasis on the representation of late-stage private and public companies in capital markets transactions as well as the representation of publicly traded companies. His practice covers a broad range of general corporate and transactional matters, including initial public offerings, secondary public offerings, PIPEs, SEC reporting and compliance and corporate governance matters.

Coming to Boston by way of San Francisco, he works predominantly with life sciences and technology companies and leverages his prior experience as a consultant to tailor legal solutions to business needs.

Andrew's experience includes:

- Advising Olema Oncology on its:
  - $250 million private placement
  - $218.5 million follow-on offering
  - $200 million at-the-market offering
- Advising Vera Therapeutics on its:
  - $115 million follow-on offering
  - $250 million follow-on offering
  - $300 million follow-on offering
  - $200 million at-the-market offering
- Advising Spruce Bioscience on its:
  - $53.6 million private placement
  - $50 million private placement
  - $60 million follow-on offering
  - $75 million at-the market offering
