Commercial Litigation

Corinne works with companies in the consumer products sector, providing strategic, forward-looking guidance on regulatory compliance, regulator investigations, consumer claims and complex product recalls. She is experienced in helping businesses anticipate emerging regulatory developments and respond effectively to fast-moving compliance challenges.

Corinne routinely partners with companies to manage complex, multijurisdictional projects, including international product launches and resolution of high-stakes compliance issues. Staying ahead of evolving legislation, she offers insight into upcoming regulatory reforms and cross-border risks, helping businesses prepare for and adapt to an increasingly demanding global regulatory environment.

Corinne has spent time as a dedicated resource for a global apparel company, supporting product safety and compliance matters.
