Product Compliance and Product Litigation

CooleyREG

Commercial Litigation

Corinne works with companies in the textile, technology, automotive and consumer products sectors, providing strategic guidance on issues spanning regulatory investigations, consumer claims and product recalls. She also consults on international compliance matters, ranging from labeling to waste take-back obligations.

Corinne routinely partners with companies to manage complex, multi-jurisdictional projects, including new product launches and compliance challenge resolutions. Staying ahead of emerging trends, she provides insights into evolving sustainability legislation and helps businesses adapt to upcoming regulatory requirements.
