Pro Bono  
Securities Litigation + Enforcement

---

Yongbin's practice focuses on complex commercial litigation. He has experience working on critical class actions involving securities litigation, contractual disputes, and data privacy. Yongbin also maintains an active pro bono practice.

A graduate of the University of California, Berkeley, School of Law, Yongbin served on the California Law Review and the Asian America Law Journal. Yongbin is a proud first-generation lawyer and believes his lived experiences enrich his ability to creatively tackle the challenging landscape of litigation.
