Kimberly Nguyen focuses on the legal and business needs of her clients in connection with their technology and intellectual property transactions, including counseling, structuring and negotiating such deals. She works with companies across all industries, including education, technology, mobile application development and distribution, payment processing, social media, cloud computing and online advertising.

Her practice regularly includes:

- Software licensing and SaaS agreements
- Technology, software and hardware development, procurement, resale and distribution arrangements
- Digital media transactions
- Strategic alliances and partnerships
- Privacy and data protection counseling
- Intellectual property ascts of M&A and financings

Prior to joining Cooley, Kimberly was an associate in the Washington, DC, office of a Los Angeles-based media and entertainment firm, where she focused on motion picture, television, technology and new media production and content licensing and commercial transactions.

Publications:

- Co-author, "Amendments to COPPA and Protecting Children's Privacy," Children's Technology Review, April 2013
- Co-author, "All's Fair in University Copying Case," Intellectual Property Magazine, November 2012
