Public Company Advisory Team

Su Lu focuses on advising public companies on securities laws and corporate governance matters, including SEC reporting and disclosure requirements, shareholder meeting matters, compliance with the proxy rules, and compliance with stock exchange requirements. Su also works with companies preparing for their initial public offering as well as newly public companies on their public company obligations. Su provides her clients with the benefits of her extensive experience and knowledge, helping them anticipate issues and offering practical solutions. Su has also represented issuers in public offerings and private placements, as well as advised on tender offer and exchange offer transactions.
