Capital Markets
Emerging Companies
Mergers and Acquisitions
Public Companies
Venture Capital

Chelsea advises clients across all growth stages, including startups, late-stage private companies, public companies, venture capital firms and investors, on a wide range of corporate matters. Her practice includes startup counseling, venture capital financings, mergers and acquisitions, public offerings, securities law compliance, and corporate governance.

Before joining Cooley, Chelsea was an associate in the Santa Monica and Seattle offices of a US-based international law firm.
