Technology

Benjamin advises companies on a range of complex investigations brought by major UK and international enforcement agencies and regulators across a variety of industry sectors. He has particular experience dealing with high-profile investigations undertaken by the UK's Serious Fraud Office, National Crime Agency and Financial Conduct Authority. Benjamin also advises a variety of clients, from multinational corporations to governments, on a range of commercial disputes, with a particular focus on resolving issues for life sciences clients in respect of fraud.

Since 2022, The Legal 500 UK has consistently recognised Benjamin as a key lawyer in the practice area of Fraud: white-collar crime (advice to individuals).
