Mergers and Acquisitions
Technology
Life Sciences and Healthcare
Retail and Consumer Products

Mila advises strategic and financial buyers and sellers on public and private mergers and acquisitions, joint ventures, minority investments and other corporate transactions. She represents clients across sectors including technology, life sciences, industrial and consumer industries. Mila's experience includes both domestic and cross-border transactions.

Before joining Cooley, Mila practiced in the M&A group of a leading international law firm in New York.

Mila's representative transactions include advising:

- Alphabet on its pending joint venture with Stonepeak Partners and Astound Broadband to combine Google Fiber with Astound*
- Salesforce on its acquisition of m3ter*
- ServiceNow on its acquisition of Veza Technologies*
- CK Life Sciences on its sale of Polynoma to Transcode Therapeutics and a related $25 million strategic investment*
- Celsius on its $1.8 billion acquisition of Alani Nu*
- Arcline Investment Management on its acquisition of Continental Aerospace Technologies from Hong Kong-listed Continental Aerospace Technologies Holding Limited*

* Representation handled prior to joining Cooley.
