Laura provides health regulatory and Food and Drug Administration counsel to healthcare and life sciences industry clients. Her practice includes consulting on compliance and enforcement of federal food and drug laws, regulatory counseling and advising transactional matters. Laura also advises telehealth providers, pharmaceutical, cosmetic and medical device manufacturers, investors and other healthcare industry clients on regulatory, transactional, compliance and privacy matters.

Laura maintains an active pro bono practice.

While attending William & Mary Law School, Laura was an active member of the National Trial Team, competing in trial competitions at law schools across the US. Laura was also a member of the William & Mary Bill of Rights Journal. Before law school, Laura worked in business development and project management at an international health nonprofit.
