Emerging Companies

Venture Capital

Ben advises emerging and growth companies throughout their life cycles, from formation and early operations through later-stage growth, financings and exit events. He works closely with startups, executive teams and boards on venture capital financings, strategic transactions, and day-to-day corporate and governance matters. He also regularly represents venture capital funds and other investors in equity investments in high-growth companies.

Education

University of California, Davis School of Law (King Hall) JD, Order of the Coif, 2021

University of California, Davis BS, Managerial Economics, with honors, 2018
