New York

Ruben assists in all phases of litigation, from case inception through trial, including discovery, legal research, motion practice and trial preparation. With experience supporting complex civil litigation across federal and state courts, he is skilled in case management, cite checking/bluebooking and discovery support. In addition, Ruben maintains an active immigration pro bono practice, assisting individuals and families with a range of immigration matters.

Education

St. John's University BS, Legal Studies, Paralegal Certificate, 2001
