Ensemble Announces $100 Million Debut Fund

April 5, 2023

Boston – April 5, 2023 – Cooley advised Ensemble, an early-stage venture capital firm backed by category-defining advisers, on its $100 million debut fund. Partners Nicole Peppe and Stephanie Gentile led the Cooley team.

Ensemble plans to use the funds to prove that the depth of a startup's entire team determines its success – not just the founding team. It will use its data algorithm that tracks employees and due diligence to narrow down companies with investment potential.

Founded in 2020 and based in Austin, Texas, Ensemble is a modern, early-stage venture capital firm that helps founders build high-quality teams around them as they scale. Ensemble leverages its data platform and functional experts from its network of strategic advisers to help clients build the right teams and operational processes.
