CooleyREG

Rachel works across diverse litigation matters, including securities, government investigations and contract disputes. She leverages her prior experience in international business development in the private and nonprofit sectors to support the dynamic needs of established and emerging tech companies.

While at Northwestern Pritzker School of Law, Rachel served as an articles editor for the Northwestern University Law Review and led an academic research trip studying comparative constitutional law in Portugal. She also represented juvenile defendants for Northwestern's Bluhm Legal Clinic.

Education

Northwestern Pritzker School of Law
