The winners will be announced on July 13, 2023, at a live gala ceremony in London.

The LMG Life Sciences Awards bring together Europe's legal community to recognize top law firms and lawyers from across the region and celebrate their success in the life sciences industry. The finalists were selected following a thorough research period between January 1 and December 31, 2022, which included an analysis of direct submissions and much deliberation.

Cooley is a top law firm for emerging and mature life sciences companies and counsels 1,900+ public and private life sciences company clients worldwide, including nearly 50% of the Nasdaq Biotechnology Index. The firm advises on all aspects of life sciences technologies for established public companies and growing startups. Cooley has been the #1 venture capital law firm for biotech and pharma venture financings for the past decade and is the #1 firm for issuer-side life sciences initial public offerings – a title held since 2000.
