Patent Counseling and Prosecution
Biotechnology
Life Sciences and Healthcare

Jacob focuses on patent prosecution in biotechnology and healthcare. Before joining Cooley, Jacob pursued a doctorate in microbiology at the University of Wisconsin – Madison. His graduate research analyzed the molecular components enabling beneficial bacteria-animal symbioses, with specific emphasis on bacterial RNA-binding proteins and transcriptional regulation. During his PhD, he supported university technology transfer as an ambassador at the Wisconsin Alumni Research Foundation (WARF).

Education

University of Wisconsin - Madison PhD, Microbiology, 2025

San Diego State University BS, Microbiology, 2018

Admissions & Credentials

United States Patent and Trademark Office (USPTO)
