New York

Cyber/Data/Privacy
Emerging Companies
Mergers and Acquisitions

Allison focuses her practice on data privacy and information security, advising clients across various industries on complex regulatory compliance regimes, data protection best practices, risk management strategies, and incident response and preparedness matters. She also has substantial experience analyzing data privacy- and information security-related legal issues and risks in the context of commercial agreements and corporate transactions, including M&A, public offerings and private financings. Allison is a Certified Information Privacy Professional for the United States (CIPP/US).
