San Diego

---

Rajdeep is a member of Cooley's mergers and acquisitions group and advises his clients through public and private transactions – including deSPAC acquisitions and cross-border deals, representing an aggregate deal value of more than \$25 billion. In the past year, Raj was a lead attorney on the Cooley team advising SiTime on its acquisition of Renesas Electronics' timing business for \$3 billion.

Raj was recognized as a winner in the San Diego Business Journal's 40 Next Top Business Leaders Under Forty 2024, which honors young professionals making an impact on the San Diego community.
