Commercial Litigation

Public International Law

Lorenzo's practice focuses primarily on US domestic and international commercial arbitration and contract litigation. With experience in both common and civil law jurisdictions, Lorenzo has represented clients in the construction, M&A, telecommunications, natural resources, tech and life sciences sectors. He also advises companies on issues involving mass arbitration claims. In addition to his work as counsel, Lorenzo has acted as secretary to arbitral tribunals in institutional and ad hoc proceedings. Lorenzo is fluent in Italian and French and reads Spanish and Portuguese.
