Alexandria Ashour represents private and publicly held companies in a range of corporate and securities matters, including private financings, initial public offerings, mergers and acquisitions and corporate governance.

Alexandria earned her JD from University of California at Los Angeles School of Law, where she was awarded the Masin Family Academic Gold Award in the Study of Administrative Law. At UCLA, Alexandria served as co-chair of the Program on Understanding Law, Science & Evidence (PULSE) and was a managing editor of the UCLA Journal of Environmental Law and Policy. She also conducted research with professors in the fields of constitutional, administrative and patent law.

While at Pepperdine, Alexandria worked in an Inorganic Chemistry Research laboratory where she studied aluminum centered catalysts for the polymerization of biodegradable plastics.

Publications

- Co-author, Synthesis and structures of aluminum ion-pair complexes that act as L- and racemic-lactide ring opening polymerization initiators, Polyhedron, Volume 147, 94-105 (2018)
- Co-author, Synthesis, spectroscopy, and crystallography of mononuclear, five-coordinate aluminum complexes that act as cyclic ester polymerization initiators, Polyhedron Volume 204, 115233 (2021)

Education

University of California at Los Angeles School of Law JD, 2020

Pepperdine University BA, Chemistry with Honors and English Literature, magna cum laude, 2016

Admissions & Credentials

California
