Pang Lee's practice is focused on the offering, investment and operation of various types of private investment funds, with a focus on venture capital and private equity funds, corporate venture funds, special situation funds, along with digital assets and investment advisory businesses. He has advised clients on various types of fund formations across a range of geographies and industries, particularly for fund managers and institutional investors making investments in and around the Pacific Rim, with an emphasis on Greater China, South and Southeast Asia and the Silicon Valley. Pang regularly advises private fund managers on Hong Kong and United States regulatory and compliance matters. In addition, he has worked on various funds related transactions and reorganizations, including, secondary transactions involving the transfer of equity interests of fund investments and management companies, co-investments, strategic joint venture arrangements, as well as fund financings. In his two decades of practice, Pang brings a global perspective, having started his career as a private funds lawyer in New York, and have also practiced in the San Francisco and Shanghai offices of Cooley. Pang regularly speaks at regional industry conferences in China and Southeast Asia.

Pang is fluent in English and is a native Cantonese speaker.
