Emerging Companies
Venture Capital
Technology

Nikita counsels high-growth emerging companies and venture capital investors on their investment transactions and other strategic matters. Her experience spans a range of industries, including digital health, software, technology and consumer sectors. Nikita has practiced in India, New York and Silicon Valley.

Nikita's representative transactions include advising:

- Tredence on its \$175 million Series B round
- Lacework on its Series D round, which brought its valuation to \$8.3 billion
- SoftBank Vision Fund 2 on its \$100 million investment in the India-based sales readiness company Mindtickle
