Los Angeles Santa Monica

Emerging Companies

Venture Capital

Technology

Priya focuses her practice on representing emerging growth companies and venture capital firms across a broad range of industries – such as technology (including artificial intelligence), digital media, entertainment and consumer products. She works with companies through all stages of growth, including on formation, capital raising and general corporate governance matters. Priya has counseled companies and venture capital firms in hundreds of financings and advised companies on numerous complex transactions, ranging from spinouts to secondary sales and other liquidity events.
