Emma is a trusted adviser representing a wide range of companies and their investors at all stages of the business growth cycle, from startups to public corporations. She is experienced in guiding businesses and stakeholders through complex financings and mergers and acquisitions, in addition to entity formation and structuring, governance matters and securities transactions.

Emma's clients span various markets and industries, including digital health, artificial intelligence (AI), consumer products, fintech, defense tech, enterprise software, hardware, digital media, and climate tech. Her clients include 1mind AI, Apollo.io, Artera, Bezel, Cresta, Density AI, Flashfood, Hadrian, Intercom, KoBold Metals, Lattice, Overflow, Rothy's, Rocket Lawyer, and Teal Health.

Investors Emma has recently represented include Altos Ventures, Amplify Partners, Andreessen Horowitz, DBL, GC Ventures, Mayfield, Rethink Impact, Ribbit Capital, and Seligman.

Emma is particularly interested in women's health and wellness and, before joining Cooley, she was a partner and co-chair of the women's health and wellness practice at a US-based international law firm. Additionally, she was a speaker at Practising Law Institute's "Venture Capital: Nuts & Bolts" program in 2023 and 2024.
