Palo Alto

Hatch-Waxman Litigation
Life Sciences IP Litigation
Trade Secret Litigation and Dispute Counseling
Intellectual Property Litigation

HanByul is a litigation associate in Cooley's intellectual property group in Palo Alto. She represents clients in a wide range of industries – from pharmaceutical and software to chemical and medical devices – in patent infringement, Hatch-Waxman, Biologics Price Competition and Innovation Act (BPCIA), and trade secret cases.

HanByul earned both a PhD in Chemistry and a JD from Northwestern University. At the Northwestern Pritzker School of Law, HanByul served as the senior online editor for the Northwestern University Law Review. During law school, she externed at the US District Court for the Eastern District of New York and competed in the Giles Sutherland Rich Memorial Moot Court competition.
