Hong Kong

Capital Markets

Yichen focuses on advising issuers and investment banks on capital market transactions, including Hong Kong initial public offerings (IPOs) and ongoing post-listing compliance obligations.

Yichen's recent representative matters include:

- Advising Lingyi iTech (Guangdong), a leading precision functional components manufacturer dual-listed on the Shenzhen Stock Exchange, on its listing on the Main Board of the Hong Kong Stock Exchange (HKEX), ranking as the fourth largest IPO in Hong Kong as of the listing date by deal size
- Advising IMPACT Therapeutics, a commercial-stage biotechnology company focused on advancing synthetic lethality-based precision anti-cancer therapies globally, on its HK$844 million IPO and listing on the HKEX
- Advising joint sponsors Morgan Stanley, China International Capital Corporation and GF Securities on the HK$2.277 billion IPO and listing of Insilico Medicine, a global, clinical-stage, generative AI-driven biotech responsible for advancing the first generative AI-discovered and designed drug to human clinical trials, on the HKEX
- Advising WeRide, a global leader in autonomous driving technology, on its HK$2.91 billion IPO on the HKEX
