Capital Markets
Corporate Governance and Securities Regulation

+1 312 881 6795

Chicago

Laila has experience representing public companies in a variety of capital markets transactions, including initial public offerings, underwritten secondary follow-ons and private debt offerings. She also advises public companies on a range of corporate and transactional matters, including corporate governance and Securities and Exchange Commission reporting and disclosure obligations.

Before joining Cooley, Laila was a capital markets associate at another global law firm in Chicago.
