New York

Dayne advises management teams and boards of directors with respect to corporate governance and compliance with US securities laws and exchange listing regulations. She also has deep experience advising companies on capital markets transactions and supervising domestic and cross-border deal teams to structure and execute equity financings.

Dayne's clients are US domestic and foreign-domiciled public companies and high-growth private companies looking to access the US capital markets, primarily in the life sciences industry.

Education

University of Chicago
JD, 2014

University of Washington
BA, English Literature and International Studies, 2005
