Shanghai

Venture Capital
Mergers and Acquisitions
Emerging Companies
Asia

Sherlyn focuses her practice on venture capital, private equity, mergers & acquisitions, and general corporate matters. She has advised international and domestic companies from various industries on their cross-border transactions and operations, as well as other corporate, regulatory and compliance matters.

Sherlyn is a native Mandarin speaker and is fluent in English.

Sherlyn's recent matters include representing:

- **SJ Semiconductor**, a provider of high-performance chip assembly, testing and packaging services intended to ensure the quality of finished semiconductors, in signing the first batch investment agreement of its \$340 million Series C+ financing.
- **Wondercel Therapeutics**, a next generation cell therapy company, in its \$14 million angel round financing.
- **TandemAi**, a developer of an advanced networked platform dedicated to reinventing drug discovery infrastructure, in its \$35 million Series A financing.
