Latin America

Danielle advises technology and high growth companies throughout their lifecycles on incorporation and formation; seed, strategic and venture capital financings; corporate governance; mergers and acquisitions and public offerings. She also regularly represents investors in financing and restructuring transactions.

Danielle works with growth companies across industries, including fintech, artificial intelligence, digital health, ecommerce and consumer products.

Danielle also serves as a guest lecturer on the legal issues confronted by emerging growth companies and venture capital funds, including at Cornell Law School and Cornell Tech.
